Dear [redacted]:

25X1

I have your letter of 2 April 1948, concerning your new Monitoring Technician, [redacted], and his housing problem.

25X1

I am afraid that with plans now definite to move the Kauai Bureau to a Far East location, it will be impossible to request any capital improvements at Kekaha. I hope that you will be able to find some device to keep [redacted] in spite of this decision.

25X1

With reference to your letter of 31 March 1948, concerning [redacted] I agree as to the desirability of Russian, French, and Dutch coverage in the Pacific, and efforts are being continued to find a replacement for [redacted]. It seems desirable, however, to let present plans for [redacted] transfer to Roseda as a Monitor at the expiration of his present contract stand as outlined in my letter to him of 1 April 1948, of which a copy was sent you.

Sincerely yours,

25X1
